

Yr 8 Full Grade Conditions

Full conditions as at the start of the 2015/16 season

Please print a copy of these and have available on match day.

Grade Manager – Kieran James on jaiden172002@yahoo.com or 354 9135 or 0272 282119

Coaches of teams in this grade should email their contact information to the Grade Manager so that he can be in contact with you during the season if needed. View and print score sheet for this grade using the link on the web page.

View and print a score sheet for this grade from the link in the Competitions – Overview and Grades website page (www.cjca.org.nz) for this grade.

Aim

- **Guaranteed Participation** - As with all our grades the development of the player and enjoyment of the game are seen as more important than the result. All players will bat and bowl in every match.
- Positive attitudes and behavior on and off the pitch.
- 'NOTHING CAN JUSTIFY A WIN-AT-ALL COSTS APPROACH'

Grade Objective

This grade is for players primarily in Year 8 and talented Year 7 players. This grade is a progression on from Yr 7 and will be split into various sections, the number of which will be determined by the number of teams entering this grade.

As with all our grades the development of the player and enjoyment of the game are seen as more important than the result and so all are expected to participate in either batting or bowling, preferably both, in each match.

Coaches are to ensure that by the end of each half season all players have had an equal opportunity to display their skills. Rotation of the batting order is required, as stipulated in the batting section and bowlers should share the overs.

Playing Conditions Summary

- Year 8 and talented Year 7 players
- 9.00am start on an 18m pitch
- 9-a-side – avoid carrying extra players please
- 30 overs per innings - one innings per side. Over's bowled in 5 over blocks from alternate ends. Bowlers cannot bowl two overs in a row.
- Max 4 overs per bowler. **No bowler may bowl a 4th over until ALL others have bowled 3**
- Compulsory retirement at the end of the over having faced 30 legitimate deliveries, excluding wides and no balls. Once all players have batted, those batters who have been retired can return in the order they retired. Coaches are NOT allowed to retire batters earlier than these delivery limits unless they are playing with more than 9 players and spreading the innings equally. **Last man standing introduced from 2014**
- Wides and no-balls score 1 run plus any extra runs scored and are not re-bowled, except in the final over of each innings, when 6 legitimate balls must be bowled
- The ball after a wide or no ball becomes a 'free hit' so the batter can only be given out, run out. If the last ball of an over is a wide or no ball then 2 runs are awarded as no free hit can occur.
- 142g leather ball from Kookaburra, Platypus, Dukes or Cambridge ranges
- 40 - 45m boundary, where possible
- Back foot LBW applies

Rules re players who can take part

This grade is for club and school players in Year 8 at the start of the season in October (these players are then expected to move into the CCA Yr 9 grade's after Christmas within a club or school team). Talented Year 7 players can also take part. It should not be necessary that players younger than Year 7 play in this grade. If a club needs to use Year 6 or younger players to make up the team, then they must discuss the reasons why that player should be included with the grade manager and obtain dispensation.

A player starting Year 9 after Christmas who is having difficulty finding a school or club U14 team should contact Keryn Ambler at Christchurch Metro Cricket on 03 366 3003. He will be more than happy to help find them a suitable team. Dispensations to these rules are available but always subject to written CJCA agreement viewable to the opposition coach prior to play.

Player numbers

More players can be used in a match but only 9 may bat or field at one time. Our hope is that the majority of teams have the correct number of players, so all are playing the maximum amount of cricket.

If a team has less than 9 players, one or more player(s) who have already been dismissed may bat a second time to make the number of batters 9. The additional batter(s) are selected by the least number of balls faced in their first innings. Any batter who is retired returns to bat before the additional batters. The runs scored by the additional batters count towards the final team score.

By mutual agreement, a side with less than 9 players may utilise players from the opposition team to help field. Teams are encouraged to make this offer.

If a team has more than 9 players, only 9 may field at the one time. All players can participate by batting and bowling but their team score is taken when the 9th wicket is taken, if playing a team with 9 players.

If both teams have additional players, e.g. each has 10 players, by mutual agreement, all players can bat **but only 9 players may field at a given time** and all players can participate by bowling. The innings stops when the 9th (or final) wicket is taken, provided both teams are playing with the same number. (See last man standing in yellow below)

Where teams have more than 9 players the restriction on fielding number is to ensure the batters have a reasonable opportunity to score runs.

Batting

The batting order is rotated from game to game so that all batters have the same opportunity to bat during the season. Therefore, if batters 5 and 6 finish a match, the next match innings starts with batters 7 and 8 from the previous match and so on.

While reticent players should not be required to open an innings they should be encouraged to bat 3 and 4 and they should not have reduced opportunities to bat. The same batsmen should not open most of the time.

A team's batting score is always complete when the available overs have been bowled or when all batters have lost their wicket. Where retirements occur, they may only take place at the end of an over, but those batters may return once all others are out or retired.

A single remaining batter should continue batting, changing ends as necessary to receive strike. Only the not out batter can face the bowling. The last batter out remains at the crease to play like a non-striker. Either batter may be run out to end the innings.

At the discretion of the opposition, any remaining overs after a team has been dismissed should be bowled to allow players from both sides to gain further opportunities, but any runs scored do not count in the result.

As overs are bowled from the same end in 5 over blocks, the batters need to change ends at the end of each over, but not at the end of each block of 5. Just remember, if the bowlers are changing ends, then the batter does not need to.

See the 'Player Numbers' section regarding the batting position when a team is missing players.

LBW to be applied in this grade

LBWs may only be given when the bowling team appeals and if the ball;

- is pitched in line with the stumps AND
- hits the batsman on the pads in front of the stumps, before hitting the bat AND
- the ball was definitely going to hit the stumps AND
- the player has gone **onto the back foot and stayed on the back foot.**

This means the player cannot be given out if the ball is pitched outside the line of the stumps (leg or off side) OR has played forward - even if the player is hit on the back pad or foot. Whilst an LBW can be given under these rules, the intention for it only to be awarded when there was no doubt whatsoever in the umpire's mind that the above conditions applied. **ANY doubt – not out.**

Coaches should carefully follow batters technique so that they do not use these rules to go forward and continually play across the line to a good ball. The normal ICC LBW rules will apply when players move into Yr 9 grade cricket, so they should not get into bad habits!

Free Hits

- If a wide or no ball is bowled in the first to fifth ball of an over, the next ball is a 'Free Hit'.
- In the case of a 'Free Hit', the fielding team **must** stay in the positions they were in at the moment the delivery was made. Minor changes to the field placements may be made when Left/Right handed batters have changed ends.
- The only way a batsman can be out from a 'Free Hit' is Run Out. To be run out you must be attempting a run, or started to and changed your mind. Simply being out of your crease and being 'stumped' does not apply as a dismissal on a free hit.
- If a batsman hits a delivery that is a no ball, they score 1 run plus whatever runs are scored from the shot. The next ball remains a FREE HIT BALL. If the batsman decides to leave or misses a delivery that is deemed a no ball, they score 1 run for the no ball and the next ball is a 'Free Hit'.
- If a batsman hits a delivery that would have been a wide, they only score runs made from that shot and they may be out in all the normal ways. If the batsman decides to leave or misses a wide delivery, they score 1 run for the wide plus any they may run and they could score more from the next ball which is then a free hit.
- Where a wide or a no ball is bowled on the last ball of an over, 2 runs will be scored as no 'Free Hit' can be given as the maximum deliveries in an over are 6.

Bowling

The bowling side bowls their overs in blocks of 5 from the same end, alternating ends each 5 overs. This reduces the time wasted in between overs and the required over rate is 20/hr. As usual, bowlers cannot bowl consecutive overs and can be changed, as required, during these blocks. The batters must change ends at the end of each over within these blocks but not at the end of each 5 over block.

Wides & No Balls

Any ball that passes a batsman so wide that he is prevented from a reasonable opportunity to make contact with the ball is to be called a wide. Normal test match wides on the offside and halfway to that on

the legside should be the guide. Umpires are encouraged to discuss the limits to be applied, prior to the match, so a uniform approach is taken at each end.

The final over of each innings must have 6 legitimate balls delivered in it, so all wides and no balls are re-bowled. The batting side is awarded 1 run for each wide or no ball, plus any additional runs scored, but they are not re-bowled, except in the last over, when 6 legitimate deliveries must be bowled.

A No Ball is to be called if;

- the bowler oversteps the popping crease OR
- the ball bounces three or more times or rolls on the pitch before the popping crease OR
- if the delivery (fast or slow) would have passed over the waist on the full at normal batting stance OR
- if the delivery (fast or slow) would have passed over the shoulder at normal batting stance OR
- if the umpires consider the ball has been **obviously** thrown, after a warning has been given to the bowler and the captain. Please apply more leniency in the lower sections.

Fielding Restrictions

There are to be no players fielding within ten (10) metres from point, forward of the wicket in a circle to down leg side of the batsman. So slips, gully and wicket keeper may be within 10m but no leg slips, silly point / mid off or on, in front or behind the batter.

Safety

The minimum protective equipment when batting or wicket keeping (if standing up to the wickets) are a protective box, gloves, pad's on both legs & a helmet with face guard. For wicket keepers standing up to the wicket, an alternative to the helmet is an Aero Face Guard. When standing back from the wicket, keepers can dispense of the helmet but must continue to wear all other protective equipment.

Umpiring and scoring

We would like to see all players stand as assistant umpires with the normal adult umpire in this grade. As all U14 cricket is umpired by players, Year 8 players especially need the practice. They **MUST NOT** umpire by themselves and any decision awarding runs (boundaries or extras) or dismissing a batsman **MUST** be agreed with the adult standing with them. The player would stand immediately in front of the normal umpiring position, making sure that they do not get in the way of play.

This is a teaching exercise so please let them do the signals and talk through decisions without it interfering with the pace of play. It is also important to encourage the correct movement into position to give decisions. It is suggested that all players stand for up to 10 over stretches with one at each end. The changeover of umpires should be carried out quickly in between overs.

Scoring should also be taught by the normal scorer of the bowling team, as again it will be their job as Year 9 cricketers unless they are very lucky and have a willing volunteer. Runs scored as per a typical cricket game. However, on the last ball of the over, 2 runs are awarded for wides & no balls (plus any actual runs scored).

Draws

Draws will be available through the link on our website from Monday each week but may be amended during the week. Teams will be informed by email if a change does take place.

Results & Points allocation

Points for games will be: Five points for a win, three points each for a tie or weather abandoned game. Points will accumulate from October to December to establish the pre-Christmas winning team/s. Points will accumulate from February to March to establish the New Year winning team/s.

There is also a shield available in each section of this grade. The holder carries it with them until they lose it. The winner should transport it in the bag provided and make sure it is available at the next match. The holder should notify the grade manager at the end of each half season where it will be stored, so we know where it is for the next round of matches.

See the CJCA website 'Submit Results' page for further details. Any individual performances that need to be entered for either team **should be done by the winning team when entering the result.**

Where qualifying performances have occurred player names should show first initial & surname only. Enter player performances that meet the qualifying runs or wickets only (see below)! This may sound harsh but other comments need to be removed manually by Mike Fisher at Metro Cricket, before he can submit the result to the paper and this is a time consuming exercise.

Qualifying wickets - 3 or more - enter as A Smith 3 for 20

Qualifying runs - 40 or more runs (if not out, place an asterix after the runs scored - A Smith 50*)

General Rules

School years: for each grade (except Yr 8) a player remains eligible for the WHOLE season in that grade if eligible for that grade in October. However new Year 9 players after the Christmas break are strongly encouraged to join a team playing in the U14 grade of cricket. These teams are available from schools and clubs.

Grade Objectives: Each grade is to provide players with a fun, fair & learning game with a connection to International cricket as close as the age group, player abilities & time allow.

MCC Laws of Cricket: apply unless otherwise stated. In all cases, the stated rules are to be applied. (Coaches seeking rule changes should provide their suggestions to the CJCA rather than litigate rule differences each week with their new opposition.)

Players: All players participating must be eligible or have written CJCA dispensation viewable to the opposition coach prior to play. Such a dispensation letter will be on CJCA letterhead and be signed by either the Grade Manager or the President of the CJCA. Note that while there are Girls Only grades, girls can play in any grades.

Dress: Players are to dress in white or in Club / School colours as approved by the CJCA. (Club / School colours will be approved only where such colours will not obscure the ball in the colour of the bowler's clothing.) Sun protective hats are desirable.

Gear: Each team is required to provide 3 stumps, 2 bails and a ball. This includes stumps suitable for artificial pitches if required or applicable.

Defaults: Teams with reduced numbers should still seek to play using opponent players to assist in the field. If even this is not possible and a team has to default, please advise Mike Fisher - 027 286 0419; Email: mfisher@christchurchmetro.com as soon as possible but with at least ONE WEEKS notice.

Code of conduct: The code of conduct published on this website applies to all players, coaches, parents and others at all games
