

CHRISTCHURCH JUNIOR CRICKET ASSOCIATION

Selection of CJCA Representative sides – Year 6 to Year 8

Introduction:

Players involved in the regional tournaments will have the opportunity to be selected into CJCA representative (Invitational) sides. Generally these players come from the Development teams. The main purpose of these representative games is to provide all selected players with the opportunity to further develop their skills in higher levels of cricket. During the Regional tournaments every player will get an opportunity with batting pods and minimum amount of bowling overs in place.

Selection will be based on the following criteria:

1. Players must be involved in the regional tournament. To enhance selection you should attend all three games. Where a player is injured, sick or has a genuine reason why they are unable to attend all/any games then they need to contact the Grade Manager. In these cases the other criteria for selection will be used.
2. Performance over the Regional tournament.
3. Previous performances at Regional tournaments and Representative games – this is more applicable for year 7 & 8 selections where the grade manager will have performance data on all players.
4. Attitude, work ethic, fielding, fitness, self-motivation
5. Character – on and off the field – team fit
6. Feedback from Winter Training coaches – Year 8 only. This will cover technical assessment, attitude, work ethic
7. Trials – technical skills assessment
8. Team balance
9. Saturday performances, especially for year 8 selections.

Selectors:

The CJCA selection committee will select players who uphold the values of the Christchurch Junior Cricket Association and who demonstrate winning attitudes, sportsmanship and a passion for the game of cricket.

The selectors for year 6, 7 & 8 (except South Island Primary Schools Tournament - SIPST) will comprise of the Grade manager and the Development team coaches.

The selectors for the year 8 SIPST teams will comprise of an independent convenor (assuming one is available), Grade Manager & at least one other person, with input from the Development coaches. Where there is a conflict of interest (selector's son/daughter) then they will not participant directly in the discussion regarding their child.
